

PIXEL CLUB

1. Introduction To Club

Pixel – The Photography Club of IISER Kolkata, consisting of both phone and DSLR photographers, is a space where students, faculty, and staff come together over a shared love for photography—not just to take pictures, but to learn how to truly see. For us, photography is as much about observation as it is about the camera, about finding meaning in everyday moments and turning them into something worth remembering. Most of our members are amateur photographers, and the club grows through shared experiences where people experiment, learn from each other, and gradually develop their own way of looking at the world, making photography both an art and an enjoyable hobby.

4. Events

FLAGSHIP EVENTS

1. Photowalks

“ Photowalks are group photography excursions that help participants develop observation, composition, and storytelling skills through practical experience. Pixel organizes three to four photowalks annually, often visiting nearby cities and culturally significant locations. These outings not only provide valuable learning opportunities but have also contributed significantly to the club’s achievements, with several IICM-winning photographs originating from photowalk submissions.

2. PHOTON

PHOTON is the flagship photography event conducted during Inquivesta, the annual fest of IISER Kolkata. The event invites participation from colleges across India, providing a platform for photographers to showcase their creativity and compete at a national level. Outstanding entries are recognized and rewarded through prizes and certificates.

3. Shuttercycle

Shuttercycle is a weekly or monthly themed photography challenge designed to encourage creative exploration and consistent engagement with photography. Participants submit photographs based on a given theme, emphasizing originality, composition, and visual storytelling. The initiative fosters artistic growth within the community while providing recognition through feature posts and shout-outs on the club’s social media platforms. “

6. Rules

Equipment Issuing Rules

- 1. Ownership** All equipment issued by Pixel Photography Club remains the property of the club. Borrowing equipment does not confer any ownership rights to the borrower.
- 2. Eligibility**

Equipment may be borrowed only by currently enrolled IISER Kolkata students who have either attended the camera handling workshop or possess prior experience. A completed Equipment Lending Form, signed by a Pixel Office Bearer and the SAC Cultural General Secretary (Cult GS), must be submitted to the Dean of Students (DoS) Office before issuance.
- 3. Inspection**

Borrowers must inspect the equipment for any defects or damage before accepting it and report any issues immediately. Failure to do so will be deemed acceptance of the equipment in satisfactory condition.
- 4. Permitted Usage**

Equipment may be used only within the IISER Kolkata campus and its immediate surroundings for academic, cultural, or club-related activities unless prior approval is obtained.
- 5. Damage or Loss**

Borrowers assume full responsibility for the equipment during the lending period. Any repair or replacement costs arising from loss or damage shall be borne by the borrower as determined by the club office bearers.
- 6. Return Policy**

Equipment must be returned by the agreed date and time. The maximum borrowing period is 12 days unless an extension has been approved by the club office bearers.
- 7. Late Return**

A penalty of Rs. 50 per day will be charged for overdue returns. Repeated violations may result in suspension of borrowing privileges.

8. Acceptance

By signing the Equipment Lending Form, the borrower agrees to abide by all club regulations regarding equipment usage and handling. “

Pixel Room Usage
