

IISER - KOLKATA CRICKET CLUB (IKCC)

Budget Proposal for Financial Year 2026–2027

1. Consumables

The following consumables are requested for purchase. These items are crucial to ensuring continuous club operations and safety during the upcoming competitive term.

Item	Unit Price (INR)	Quantity	Total (INR)
Batting helmets	2,000	3	6,000
GM Kashmir Willow Bat	2,000	1	2,000
English Willow Bats	10,000	2	20,000
Scoop bats	1,000	2	2,000
White Leather Balls for 30 overs	480	80	38,400
Synthetic balls	120	6	720
Flash tour golf balls	120	6	720
Moonwalker thigh guards	2,600	2	5,200
Left-handed (Lefty) thigh guard	1,000	1	1,000
SG cricket batting Pads	3,000	2	6,000
Batting gloves	2,500	3	7,500
Wicketkeeping gloves	4,000	1	4,000
Wicketkeeping pad	2,000	1	2,000
Plastic spring stumps	2,000	2	4,000
Flexible rubber stump	4,000	1	4,000
Sets of spot cones	200	2	400
Agility ladder	300	1	300
Grip cone	300	1	300
English tape	60	10	600
Bat grips	100	10	1,000
Total Consumables Cost			106,140 INR

Note: These consumables are essential for the continued operations of the club, as most existing stock is significantly worn out and unfit for further competitive use.

2. Bat and Gear Repair Budget

During various scheduled events—such as IISM practices, inter-batch matches, and intensive IPL-style tournament fixtures—essential equipment like bats and protective gear (pads, gloves) frequently require standard repairs, maintenance, or professional re-stitching.

Estimated Allocation: 10,000 INR

3. Match Budgets

A. Umpiring

To ensure unbiased, standard professional execution during tournament matches, external umpiring services are provisioned:

- **Standard Charge per Match:** 800 INR (covering both official umpires)
- **Total Matches Planned:** 30 matches total (comprising 20 IPL tournament fixtures + 10 structural Inter-batch matches)
- **Total Projected Allocation:** $800 \times 30 = 24,000$ INR

B. Refreshments

Necessary field refreshments will be systematically distributed across practice matches, the official campus IPL, and Inter-batch tournaments. This pool also covers official refreshments catered to administrative guests and dignitaries, including the Dean of Students' Affairs (DoSA), Associate DoSA, and active visiting members of the Games and Sports Committee.

Estimated Allocation: 7,000 INR

4. Assets

A. Sight Screen

A sight screen stands as a vital structural safety asset, positioned strategically at the boundary edge directly behind the operational bowler. Its primary function is to deliver a uniform, high-contrast backdrop, allowing batsmen to critically track ball trajectory, velocity, and rotation out of the hand at speeds exceeding 100 km/h without crowd-based visual distractions.

Estimated Allocation (2 Units): 70,000 INR

Budget Uncertainty Notice: Please note that this item's structural valuation holds a degree of uncertainty. Exact pricing is subject to fluctuating raw fabrication quotes and variable final construction/installation logistics on-site.

B. Pitch Covers

Procuring heavy-duty pitch protection covers remains absolutely vital for maintaining the newly constructed facility.

Estimated Allocation: 5,000 INR

5. Trophies and Medals

This fund is allocated for provisioning official recognition assets, awards, custom medals, and championship trophies for winning teams, runners-up, and individual tournament standouts (e.g., Player of the Tournament, Best Bowler, Best Batsman) across the 20 IPL fixtures and Inter-batch formats to foster structural student sports engagement.

Estimated Allocation: 6,000 INR

Budget Summary Dashboard

1. Consumables Inventory	106,140 INR
2. Equipment & Gear Repair Reserve	10,000 INR
3. Match Execution (Umpiring & Refreshments)	31,000 INR
4. Fixed Club Assets (Sight Screens & Pitch Covers)	75,000 INR
5. Tournament Awards (Trophies & Medals)	6,000 INR

Total Proposed FY 2026–2027 Budget	228,140 INR
