

Major Events Organised by the Club

The Cricket Club of IISER Kolkata (IKCC) organises several flagship events throughout the academic year, providing students with opportunities to engage in competitive cricket, develop teamwork, and foster a vibrant sporting culture on campus.

Fresher's Cricket Match is one of the first sporting events organised each academic session. Conducted for both incoming male and female students, the event serves as a platform to welcome freshers and introduce them to the cricketing community at IISER Kolkata. It encourages interaction between freshers and immediate senior students, helping new members integrate into campus life while providing an opportunity to showcase their cricketing talent.

The Inter-Batch Cricket Tournament is among the most anticipated events of the academic calendar. The tournament features enthusiastic participation from students across batches, with separate competitions organised for men's and women's teams. Representing their respective batches, participants compete in a spirit of healthy rivalry and sportsmanship, fostering batch unity while displaying their cricketing skills.

The IISER-K Premier League (IPL) is the club's signature auction-based cricket tournament. Inspired by the Indian Premier League format, the event begins with an exciting player auction in which team owners bid for players to build balanced squads. The tournament combines strategic team management with competitive cricket, creating an engaging experience for participants and spectators alike. The IISER-K Premier League has become one of the most popular sporting events on campus.

Inter IISER–NISER–CEBS Sports Meet (IISM), a prestigious annual sporting event that brings together students from IISERs, NISER, and CEBS. Representing IISER Kolkata at IISM provides student-athletes with the opportunity to compete at a high level, interact with peers from other institutions, and contribute to the institute's sporting achievements. The event plays a significant role in promoting inter-institutional camaraderie and excellence in sports.

Farewell Cricket Match is a special event organized to celebrate and honor the graduating members of the IISER Kolkata cricketing community. The match serves as a memorable send-off for senior students, bringing together current and outgoing players for a day of friendly competition and camaraderie. Beyond the game itself, the event provides an opportunity to acknowledge the contributions of graduating students to the club and create lasting memories before they embark on the next stage of their academic and professional journeys.
