

Kho-Kho Club of IISER Kolkata – KCIK

About KCIK

The Kho-Kho Club of IISER Kolkata (KCIK) is a vibrant, student-run sports community dedicated to preserving and promoting the rich heritage of the traditional Indian sport, Kho-Kho. With a strong focus on regular training, strategic gameplay, and rigorous conditioning, KCIK actively nurtures talent and fosters a passion for the sport within the IISER Kolkata campus.

Major Achievements

IISM Champions

In a triumphant moment for the club, the KCIK men's squad clinched the **Gold Medal** at the Inter-IISER Sports Meet (IISM). This victory marked a significant milestone, breaking an **11-year drought** for the men's team and showcasing their dedication and skill. The win has reignited the spirit of Kho-Kho at IISER Kolkata.

National Presence

KCIK takes pride in its expanding national footprint. The club actively trains and supports both **men's and women's contingents** to participate in various national-level Kho-Kho events. This commitment not only provides invaluable exposure to our players but also proudly represents IISER Kolkata on a broader sporting stage.

Campus Infrastructure

KCIK boasts a dedicated and well-maintained training facility: the **IISER Kolkata Kho-Kho Ground**. Located in the Haringhata Farm area, this ground is **illuminated**, providing an ideal environment for regular practice sessions, inter-batch games, and official tournaments hosted by the club. The facility is instrumental in the continuous development of our players.
